

SUPPORT BROKER PROFILE: KADIE CHAPMAN

Background

I am a parent/carer who has supported a family member as with his Direct Payments /Self Direct Support packages for the last 5 years. I am passionate about the personalisation agenda and I am a Partner's in Policymaking graduate.

Expertise

I have a 30 years background in finance /administration for both the commercial and charitable sectors, with good organisation skill and access to many resources. In the last year I have been seconded to work in support planning during the transition from Direct Payments to Self Directed Support.
